**Subject:** OBJECTION TO PLANNING 20/0538/OUT Pinwood Meadows/Celia Crescent/Juniper Close Application

Dear Mr Diamond

I strongly object to the Planning application as stated above, it is a very important green area for the well-being of the local people,SAFE child's play area, dog walkers & so much more - the wildlife that live there from deer to many small species & bird life, recently I spotted a woodpecker in this area.

The access to this area is really POOR, access for Fire engines & Ambulances have struggled at times so more traffic would be disastrous!

PLEASE PLEASE STOP THIS APPLICATION!

Regards Mrs Marcia Leach - Resident
