**Subject:** Exeter City Council Planning Application 19/1556/FUL, The Harlequins Centre

Mrs Rose  
National Planning Casework Unit  
5 St Philips Place  
Colmore Row  
Birmingham

Dear Mrs Rose,

I believe you are the case officer for the call-in of this planning application. If you are not my apologies, but can you pass onto the officer dealing with this call-in?

I attach a letter from Exeter Civic Society requesting that the Secretary of State calls in this planning because we believe councillors failed to adequately consider the impact upon our local heritage, and that the standard of the co-living accommodation is not of adequate size to be classified as a home.

I also attach our three letters of objection submitted to the city council planning team.

Can you confirm receipt of this email and that you are the appropriate officer?

I have copied this email to Exeter City Council's local planning officer.

Keith Lewis, Vice Chairman, Exeter Civic Society
