

CITY DEVELOPMENT

RECEIVED

4/12/2019.

Dear Mr. Diamond,

I would like to register my dismay about the buildings which are likely to have a very detrimental affect on parts of our ancient city. The possibility of having these buildings around the Roman wall is short sighted and will have a huge impact not only on the residents in Northenhay but also on the history of our once beautiful city.

The residents in this area will have to contend with more noise, pollution, disturbance and loss of privacy. And also loss of daylight.

Please take these concerns seriously and think about the future of our lovely city.

Yours sincerely

L
