

LEGEND

General Legend for all drawings

Hard Landscape

Note: Sub-base and base design to be suitable for vehicular or pedestrian usage to be determined by engineer. Specification and detail to engineers information.
All block paving to meet BS EN 1339:2003 requirements.
All concrete slab paving to meet BS EN 1341:2012 requirements.

Paving Types

	Paving Type 1 Block Paving - Gateways Product: Lavaro Sets or similar and approved Colour/Size: Colour Mix: Wit Zwart/Grijs Gilsando/Zwart Grijs 400 x 105 x 80mm Supplier: Hardscape or similar approved
	Paving Type 2 Block Paving - Green Link Product: Lavaro Sets or similar and approved Colour/Size: Colour Mix: Wit Zwart/Grijs Gilsando/Zwart Grijs 600 x 300 x 80mm Supplier: Hardscape or similar approved
	Paving Type 3 Block Paving - Southern Parking Area Product: Lavaro Permeable or similar approved Colour/Size: Colour Mix: Wit Zwart/Grijs Gilsando/Zwart Grijs 210 x 105 x 80mm Supplier: Hardscape or similar approved
	Paving Type 4 Clay Pavers - Thresholds Product: Trilon and Afalon Size: 200x50x5mm Supplier: Hardscape or equal and approved
	Paving Type 5 Slab Paving - Main Square Product: Lavaro Slabs Colour/Size: Colour Mix: Wit Zwart/Grijs Gilsando/Zwart Grijs 600 x 600 x 80mm & 900 x 600 x 100mm Supplier: Hardscape or equal and approved
	Paving Type 6 Setts - Banding Product: Prima Porphyry Grey Mix (Split) Colour/Size: 100x100x50mm Supplier: Hardscape or equal and approved
	Paving Type 7 Flag Paving - Communal Areas Product: Slane Flags Colour/Size: Silver Granite / 600 x 400 x 50mm Supplier: Hardscape or equal and approved
	Paving Type 8 Slab Paving - Communal Gardens Product: Lavaro Slabs Colour/Size: Colour Mix: Wit Zwart/Grijs Gilsando/Zwart Grijs 600 x 600 x 80mm Supplier: Hardscape or equal and approved
	Paving Type 9 Resin Bound Gravel Product: Adalabound Colour/Size: Dune / 3mm Supplier: Adasgrit or similar approved
	Paving Type 10 Vehicular Tarmacadam To Engineer's detail & specification
	Paving Type 11 Pedestrian Tarmacadam To Pedestrian and maintenance access loading. Maintenance requirements to be confirmed by others. To Engineer's detail & specification
	Paving Type 12 Flag Paving - Balconies & Private Terraces Product: Slane Flags Colour/Size: Silver Granite / 450 x 450 x 40mm Supplier: Hardscape or equal and approved
	Paving Type 13 Resin Bound Mulch - Recreational Footpaths & Play Product: Tigermulch Colour/Depth: Brown / Installed as per Suppliers guidelines regarding fall zones as appropriate Supplier: Size Rubber or equal and approved
	Paving Type 14 Corten Steel Paving Inlay Colour/Size: Corten / Various lengths; design to form part of heritage/art strategy
	Paving Type 15 Gravel Infill Product: Pea shingle laid over geotextile
	Paving Type 16 Composite Decking - Communal Terraces Product: Milboard Composite Decking Colour/Size: Antique Oak / 5000 x 176 x 22mm Supplier: Milboard or equal and approved

Soft Landscape

Note: Refer to Engineers drawings and specifications for details on kerbs. All edging are to meet BS EN 1340:2003 requirements. All droppers are to match road kerbs.

	Existing Trees to be Retained Survey canopy and RPA Note: Refer to arboricultural drawings for further information		Proposed Edible Planting Size/Spec: Refer to plant schedule Note: All batches of species are to be labeled prior to delivery
	Proposed Tree Planting Size/Spec: Refer to plant schedule Note: Trees to be tagged by landscape architect prior to delivery		Proposed Hedge Planting Size/Spec: Refer to plant schedule Note: All batches of species are to be labeled prior to delivery
	Proposed Tree Planting in Hard Landscape Size/Spec: Refer to plant schedule Note: Tree pit design to incorporate structural cells to ensure sufficient rooting volume in achieved. Trees to be tagged by landscape architect prior to delivery		Grass Type 1 - Amenity Mix Supplier: Emorsgate Seeds or similar approved Spec: EL1 - Flowering Lawn Mixture
	Proposed Fruit Tree Planting Size/Spec: Refer to plant schedule Note: Trees to be tagged by landscape architect prior to delivery		Grass Type 1a - Reinforced Amenity Mix Supplier: Fibresand / Emorsgate Seeds or similar approved Spec: Area to be dressed with Fibreturf growing medium, nominal 200mm depth, prior to seeding with EL1 - Flowering Lawn Mixture
	Proposed Multi-stem Tree / Specimen Shrub Planting Size/Spec: Refer to plant schedule Note: Trees to be tagged by landscape architect prior to delivery		Biodiverse Roof Supplier: Bauder or similar and approved Spec: Subject to detailed design, to include protection and drainage layers, filter fleece and substrate of varying depth, typically 80-150mm, to facilitate the establishment of a variety of habitats.
	Proposed Shrub Planting Size/Spec: Refer to plant schedule Note: All batches of species are to be labeled prior to delivery		

NOTES:
Hard surfacing to all vehicular access areas, including required kerbs, to others' design and specification. This is outside of the landscape scope.
Refer to highway engineer's drawings for tracking and refuse strategy.
Refer to drainage engineer's drawings for drainage strategy and surface water drainage.
Lighting design: refer to engineers and specialist drawings for lighting specification and location.
Final tree location need to be fully coordinated with lighting layout, underground service runs and site drainage.
Slope profiles to the open space areas are to be as slack as possible considering access for all.

Edging Types

Note: Edging types are indicative. Refer to Engineers drawings and specifications for details on kerbs. All edging are to meet BS EN 1340:2003 requirements. All droppers are to match road kerbs.

	Edging Type 1 Upstand Kerb Edging [Indic.] Product: Circa Casto Dura Kerb Supplier: Hardscape or similar approved Size/Colour: 200mm / Natural Upstand: 200mm / To Engineers Specification		Edging Type 7 - Clay Pavers Product: Atlas Supplier: Hardscape or similar and approved Size: 200x50x55mm Upstand: Flush laid stretcher bond at 90° to paving orientation
	Edging Type 2 Low Retaining Walls Upstand: 200mm at highest point / To Engineers Specification		Boundary Types
	Edging Type 3 Kerb [Indic.] Product: PCC Kerb Supplier: Marshall's or similar approved Size/Colour: 125x150x914mm / Natural Upstand: 100mm / To Engineers Specification		Boundary Type 1 - Gabion Retaining Walls To private terraces Size/Colour: 500mm* baskets
	Edging Type 3a Flush Kerb [Indic.] Product: PCC Kerb Supplier: Marshall's or similar approved Size/Colour: 125x150x914mm / Natural Upstand: 25mm / To Engineers Specification		Boundary Type 2 - Low Brick Wall To Haven Road frontage
	Edging Type 4 PCC Pin Kerb Product: Pre Cast Concrete Square Pin Kerb Supplier: Marshall's or similar approved Size/Colour: 50x150x915mm / Silver Grey Upstand: Flush		Boundary Type 3 - Horizontal Slatted Timber Fence To private walkways, gates to match Material / Size: Cedar / 1800mm high
	Edging Type 5 Timber Edging Product: Treated softwood timber board fixed to treated timber stake 50x50x450mm Upstand: Flush		Boundary Type 4 - Low Brick Walls with Sliding Access Gate To southern parking area Colour: To match building
	Edging Type 6 Metal Edging Product: Profiled steel edging Supplier: EverEdge or similar approved Size/Colour: 2.5mm / Corten steel Upstand: Flush		Boundary Type 5 - Timber Fence Type: Horizontal Slatted Featherboard To northern boundary, gates to match Material / Size: Treated Softwood / 2400mm high
			Boundary Type 6 - Metal Railing Type: Stainless Steel Railing To Block A communal boundary, gates to match Material / Size: Stainless Steel / 800mm high

Furniture

Note: Street lighting shown indicatively; refer to Engineers drawings and specification for details on all lighting elements

	Furniture Type 1 - Bench Product: Clifton 6-slat Backless Bench or similar and approved Supplier: Woodscape or similar and approved Size/Colour: 2000 or custom x 540mm / Hardwood		Furniture Type 7 - Cycle Hoops Product: Sheffield or similar and approved Supplier: Marshall's or similar and approved Size/Colour: 800mm long / Stainless Steel		Furniture Type 13 - Timber Pergola Product: Hardwood timber pergola
	Furniture Type 2 - Seat Product: Clifton 6-slat Seat with Backrest or similar and approved Supplier: Woodscape or similar and approved Size/Colour: 2000 x 540mm / Hardwood		Furniture Type 8 - Tree Grille Product: Corten Steel Square Tree Grille, Ripple or similar approved Supplier: Fums or similar and approved Size/Colour: 1950x1950x10mm / Corten		Furniture Type 14 - Raised Bed Size/Colour: 3000 x 1200x x500mm / Timber Sleeper construction
	Furniture Type 3 - Seat Product: Clifton 5-slat Wall Seat or similar and approved Supplier: Woodscape or similar and approved Size/Colour: 445mm wide / Hardwood		Furniture Type 9 - Removable Bollards Product: Removable steel bollard or similar and approved Supplier: Bailey Streetscene or similar and approved Size/Colour: 900mm high x 101mm dia. / Brushed Stainless Steel		Furniture Type 15 - Movable Planter Product: Stratum aluminium planter Supplier: Street Design or similar and approved Size/Colour: Various sizes / Jet Black RAL 9005
	Furniture Type 5 - Bench to Raised Planter Product: Raalt or similar and approved Supplier: Raalt or similar and approved Size/Colour: 480mm wide / Corten steel with Hardwood slats		Furniture Type 10 - Bollards Product: Semi-dome Top Steel Bollard or similar and approved Supplier: Bailey Streetscene or similar and approved Size/Colour: 1500mm high x 114mm dia. / Brushed Stainless Steel		Furniture Type 16 - Planter Product: Planteries or similar and approved Supplier: Raalt or similar and approved Size/Colour: 1200mm high x variable
	Furniture Type 6 - Cube Seat Product: Box Bench or similar and approved Supplier: Marshall's or similar and approved Size/Colour: 500x500mm / Escofet Etched Grey		Furniture Type 11 - Waymarker Signage Product: Waymarker Signage Post Supplier: Bespoke as part of Public Art Size/Colour: Normally 1800mm high / Corten Steel		Furniture Type 17 - Bin Product: Weymarker Signage Post Supplier: Woodscape or similar and approved Size/Colour: 580 x 580x x 950mm high / Hardwood
			Furniture Type 12 - Handrails Product: To steps and ramps Colour: Stainless Steel		Indicative Lighting Product: L1: Bollard lighting L2: Surface mounted LED L3: Tree Uplighters *Shown indicatively only and subject to specialist lighting design

Play Furniture

	Balance Beam Ref: B.01 Supplier: Playequp or equal and approved		Hurdles Ref: FE.19 Supplier: Playequp or equal and approved		Outdoor Table Tennis Table Ref: Joola City or similar and approved Supplier: Bntar or similar and approved				
	Balance Ropes Ref: B.10 Supplier: Playequp or equal and approved		Bauble Ref: CP-01-1110 Supplier: Russell Play or equal and approved		In-ground Trampoline Ref: Playground Trampoline 1.5x1.5m or similar and approved Supplier: Sunken Trampolines or similar and approved				
	Hexagon Stumps Ref: FT.03 Supplier: Playequp or equal and approved		Helix Ref: CP-01-0050 Supplier: Russell Play or equal and approved
